

# SPRING JOB FAIR 2020

**For the safety of the community  
our Spring Job Fair has been postponed.**

**Thank you to the employers who are concerned for the safety of our communities and have joined us in this difficult decision.**

At this time, our Employment Resource Center will remain open to the public Monday—Thursday, from 8:00—4:30. We will continue to have our skill building workshops, however, space will be limited as we are spreading out the seating to avoid any personal contact.

*We can assure you that we are taking every precaution to keep our consumers and staff safe and will keep up you informed of any changes.*
